OUR CONCEPT

At **Muscle Maker Grill** we believe in making healthy meals without sacrificing flavor, taste or quality. All our meats are fresh and trimmed lean, featuring full flavored low calorie dressings, low fat cheese portions and fresh vegetables. We take the foods people love to eat; Italian, Oriental, Cajun, southwest, Tex-Mex and make them with a healthy twist that delivers a fantastic taste. You won't find a fryer in our restaurants! WE ARE SEEKING

Seeking experienced business owners, entrepreneurs and **Great** restaurant operators who are interested in developing both single and multi-unit locations in exclusive territories. We are most interested in highly motivated team players who want to become an integral part of our continued success.
